Re: Liquidated Damages Under PainCare Holdings, Inc. Registration Rights Agreement

Dear Mr. Szporka:

Shepherd Investments International Ltd. ("Shepherd") purchased 750,000 shares of restricted common stock (the "Common Stock") of PainCare Holdings, Inc. ("PainCare") and warrants exercisable for 306,325 shares of common stock of PainCare (the "Warrant Stock") (the Warrant Stock together with the Common Stock being the "Registrable Securities"), for a total investment of \$2,325,000, pursuant to the Securities Purchase Agreement executed in connection with PainCare's December 2005 PIPE offering. The registration rights provisions of the Securities Purchase Agreement obligated PainCare to register the Registrable Securities with the Securities and Exchange Commission. These provisions required PainCare to file the required registration statement with the SEC no later than March 3, 2006, and to have it effective by June 1, 2006.

PainCare filed a registration statement for the Registrable Securities on March 1, 2006, but as of the date of this letter, PainCare's registration statement for the Registrable Securities has not been declared effective. At the very latest, this registration statement was required to be effective by June 1, 2006 (assuming that the SEC reviewed the registration statement). Pursuant to Section 6(b)(iv) of the Securities Purchase Agreement, liquidated damages began accruing on June 2, 2006 (the "Event Date"). The monthly liquidated damages are 1% of Shepherd's investment amount payable on the Event Date and each monthly anniversary of such Event Date. Beginning with the fourth month, the monthly liquidated damages are 2% of Shepherd's investment amount. Furthermore, late payments bear interest at a rate of 1% per month.

For your convenience, I have enclosed a table setting forth the amount of liquidated damages due to Shepherd beginning on the Event Date and continuing through the rest of this year. As of the date of this letter, the total amount due (shown in the right-hand column of the attached table) to Shepherd is \$141,848.38. Liquidated damages and interest will continue to accrue until the registration statement registering the Registrable Securities for resale is declared effective.

Please remit to Shepherd the total amount due (shown on the attached table) according to the wire instructions as follows:
